Damn

I knew I shouldn't
have sent her
by herself...

...Olivia!!

Wait.

And what's your plan exactly? Run blindly after her in a state of panic?

Please, let go!!

What did Olivia say?

Did she mention a location?

Er... well...

She said it was nearby. Somewhere in the...

library garden! She's in the garden!

Good job.

Now, let's go.

I am afraid.

I've grown more insecure, ever since we became lovers.

If I could, I'd lock her away in a safe place, somewhere only I know.

...Strange, isn't it? To be anxious and happy at the same time...

I can't...

...lose her.

...How do you endure it?

For
so many
years,

after losing
someone so
precious...

Just how
did you
endure
it?

...I
pray

that
you'll never
know...

this pain.

In the
meantime,
keep
calling
her.

Yes, sir.

we do now?

It doesn't
matter.

Since I'm
the one that
bit her.

she won't
remember
a thing.

Still...
I'm scared.
